

To the Confirmation Class of 2020

Thinking of you all today
While we are far apart
Although not together
We're connected mind and heart.

May the 8th was our big date
For all our fifth and sixth
I'm sure your plans of celebrations
Did not envisage this.

We anticipated a ceremony
Bishop Leahy would be our guest
Families would fill the church
All turned out in their best.

But for today let's say a prayer
And light a little candle
Let's say a prayer of gratitude
We're safe, for this we're thankful.

Our day will come to celebrate
With family and good friends
We'll celebrate in St. Bartholomew's Church
And rejoice being together again.

*Thinking of all our boys and girls today. From all the staff
of Athea National School.*
